

Though we have been home for about six weeks, we have seen God accomplish much in answering prayer.

PRAYER FOR #3

During our time in Memphis, we were able to meet with our midwife and also have the ultrasound done. We praise the Lord that our third child appears to be developing into a healthy, little... boy! Abby was hoping for a little girl but seems to be happy with the fact that she gets to hold a baby, Lord willing, in the months to come. **Please continue to pray for Stephanie's and the baby's health during the pregnancy, and for our insurance to cover the midwife.**

PRAYER FOR QASSIM AND...

Many of you have been praying for my Muslim friend, Qassim. God continues to show Himself mighty and sovereign in preparing unexpected events. We met with Qassim and his family over supper a couple weeks ago. Once again, I was able to go through the Gospel and discuss salvation and true Christianity with him. That night, we found out that his "Christian" wife is a Jehovah's Witness. Provisionally, I was preparing to preach at our home church three days later on how to witness to a Jehovah's Witness and address the fact that Jesus is JEHOVAH. The Lord impressed upon my heart to invite her to come that Sunday night.

Qassim's wife, ended up coming to hear that message. God had already been working in her heart regarding leaving the Kingdom Hall. Afterwards, she said the message made sense and helped her see specific problems with the religion she grew up following. She desires to know the truth and have further questions answered. **Please pray for Gemima's salvation and boldness to follow the truth, regardless of what her parents will think.**

When we took her out for supper that Sunday evening, she explained how unusual it was for her husband to talk with me openly about the Bible and Christianity. She said that something of God must be at work, and she begged me continue witnessing to Qassim. **Please pray that Qassim would read the Arabic Gospel book I gave him and remain open to conversation about Christ. Please continue praying that they will both be saved.**

PRAYER FOR ELECTIONS

Thank you to those of you who prayed and even fasted regarding the re-elections in Moldova on July 29. We praise the Lord that the Communist Party only won 48 of the 101 seats in Parliament, keeping them from having the

majority of power. **Pray that Parliament will elect a president who will open the door to the Gospel even more for Moldova.**

PRAYER FOR РУССКИЙ (RUSSIAN)

During our time in Memphis, we have been able to start on the Russian language using the Rosetta Stone software. Progress is being made, one lesson at a time. **Please pray for us to understand and retain what we learn.**

PRAYER FOR SUPPORT

We have been blessed to gain two more partnering churches this summer. We still have more to go before our departure on February 3, but our God is able to provide. **Please continue praying for the Lord to provide additional churches to partner with us in prayers and financial support. We are grateful to every one of you who are already regularly praying for us and/or supporting us financially.**
