

The Grosses to Moldova

Dear Friends, Family, and Churches,

February 2008

“Then Jesus answered and said unto her, O woman, great is thy faith: be it unto thee even as thou wilt. And her daughter was made whole from that very hour” (Matthew 15:28). Jesus healed this Canaanite woman’s daughter of demon possession and complemented her faith because of its length, not size. She persisted on seeking Christ in spite of obstacles and testing. I have been challenged to have a long faith, even if it is just the size of a mustard seed. With us being well underway into deputation, we are reminded to stay faithful and seeking God’s strength and provision to reach full financial support and leave for Moldova by the end of 2009.

Over the past two months, the Lord has provided 23 more scheduled meetings in churches. We praise the Lord that Open Door Baptist Church in North Canton, OH has taken us on for support. After corresponding with missionary Dr. Eric Chapman in Moldova and our field director, we are thankful that our total monthly support needed was able to be decreased. This bring us to 19% of our needed support. **Please continue to pray for at least 40 more meetings to get booked this year and for more supporting churches.**

While at my parents’ house for a couple days in January, we were able to talk with Jim again, the man Stephanie and I witnessed to last September. We were encouraged that he is still reading his Bible faithfully and becoming more grounded in the doctrines of Scripture. **Pray that the Lord will open up more doors for us to minister to others.**

We have been having some Romanian lessons this week from a Romanian who lives in Memphis, TN. We are working on getting the basics of grammar to build a framework for our actual language schooling upon arrival in Moldova. We plan to have these lessons whenever we are in the Memphis area. **Please pray that the Lord will help us understand and retain the Romanian that we are taught.**

The Lord continues to add meetings to our schedule and meet our every need. Pray for us to have long faith as we continue on deputation. We can only succeed through the teamwork of prayer warriors like you. Thank you all for your prayers and financial support.
